INTRODUCTION. Why do we age.....	7
CHAPTER 1. What are Tibetan exercises?.....	9
Introduction.....	9
What are rejuvenating Tibetan exercises?.....	9
The origins of Tibetan exercises.....	10
Opinions on the exercises.....	11
Summary.....	13
CHAPTER 2. The benefits of doing rejuvenating Tibetan exercises. How do they work?.....	15
Introduction.....	15
Benefits of the exercise.....	16
Effects of Tibetan exercises on the body.....	17
Effects on the respiratory system.....	17
Effects on the circulatory system.....	18
Effects on the skeletal system.....	18
Effects on the muscular system.....	19
Effects on the endocrine system.....	19
Effect on the skin.....	20
Effects on the body’s resistance.....	20
Overall impact.....	21
Effects of Tibetan exercises on the psyche.....	21
Summary.....	22
CHAPTER 3. The human energy system.....	24
Introduction.....	24
Aura.....	25
Aura cleansing exercise.....	26
Chakras.....	28
Base chakra.....	29

„Younger for longer” – Marta Pyrchala

The sacral chakra.....	31
Solar plexus chakra.....	32
The heart chakra.....	34
Throat chakra.....	35
Third eye chakra.....	37
Crown chakra.....	38
Meridians.....	41
Main meridians description.....	42
The lung meridian.....	42
Bowel Meridian.....	43
Gastric Meridian.....	44
Spleen and pancreas meridian.....	45
Heart Meridian.....	47
Small intestine meridian.....	48
Bladder Meridian.....	49
Meridian kidneys.....	50
Pericardial Meridian.....	51
Triple heater meridian.....	52
Gallbladder meridian.....	53
Liver Meridian.....	54
Frontal major regulator (conception channel).....	55
Rear major regulator (governing channel).....	56
Task.....	57
Effects of Tibetan exercises on the energy system.....	57
Summary.....	58
CHAPTER 4. Proper practice of Tibetan exercises – preparation.....	61
Introduction.....	61
Building body awareness. Exercise.....	62
Conscious breathing. Exercise.....	64

„Younger for longer” – Marta Pyrchala

Mental attitude to exercises. Exercise.....	65
Eutony exercise.....	66
Physical preparation. Exercises.....	68
Summary.....	69
CHAPTER 5. Tibetan exercises in practice. Principles and performance. Rejuvenating meditations.....	71
Introduction.....	71
How to perform Tibetan exercises – general principles	72
First rejuvenating Tibetan ritual.....	76
Performing the first rejuvenating Tibetan ritual.....	76
The action of the first rejuvenating Tibetan ritual.....	77
Notes.....	78
Rest – relax with the breath.....	78
Second rejuvenating Tibetan ritual.....	79
Performing the second rejuvenating Tibetan ritual.....	79
Effect of the second rejuvenating Tibetan ritual.....	80
Notes.....	81
Rest – relax with confidence-building powers of rejuvenation.....	81
Third rejuvenating Tibetan ritual.....	83
Performing the third rejuvenating Tibetan ritual.....	83
Effect of the third rejuvenating Tibetan ritual.....	84
Notes.....	85
Rest – relaxation with positive suggestions.....	85
Fourth rejuvenating Tibetan ritual.....	87
Performing the fourth rejuvenating Tibetan ritual.....	87
The action of the fourth rejuvenating Tibetan ritual.....	88
Notes.....	89
Relaxation – relaxation with visualization	89
The fifth rejuvenating Tibetan ritual.....	91

„Younger for longer” – Marta Pyrchala

Performing the fifth rejuvenating Tibetan ritual.....	91
The action of the fifth rejuvenating Tibetan ritual.....	92
Relaxation with self-hypnosis.....	93
The sixth rejuvenating ritual.....	101
Performing the sixth rejuvenating Tibetan ritual.....	101
Effect of the sixth rejuvenating Tibetan ritual.....	102
Relaxation with the Monahan method.....	102
Effects of other physical exercises on a younger appearance	105
Summary.....	105
CHAPTER 6. Rejuvenating body cleansing.....	107
Introduction.....	107
Cleansing the intestines.....	107
Cleanse your kidneys.....	109
Blood purification.....	109
Liver cleansing.....	109
Reduce harmful substances and their absorption.....	110
Sauna, steam baths and hot baths.....	111
Cleansing the lungs.....	113
Examples of breathing exercises - pranayama.....	114
Methodology for performing pranayam.....	115
Examples of pranayama.....	116
Task.....	119
What is yet vital for detoxification of the organism.....	120
Summary.....	121
CHAPTER 7. Rejuvenating relaxation. Exercises.....	123
Introduction.....	123
The effects of stress on the body. Relaxation and rejuvenation.....	123
Progressive muscle relaxation	125

„Younger for longer” – Marta Pyrchala

How to perform progressive muscle relaxation	126
Phases of the progressive muscle relaxation exercise. .	126
Application of progressive muscle relaxation.....	127
Procedure for performing the treatment.....	127
Task.....	129
Schultz autogenic training.....	129
When is it a good idea to use autogenic training?.....	130
Effects of Shultz’s autogenic training.....	130
How to practise autogenic training?.....	131
Procedure for a complete autogenic training session...	132
Task.....	133
Summary.....	133
Scientists have shown that stress increases the incidence of disease.....	133
In addition, stress reduces the body’s regeneration and speeds up ageing. It is why traditional relaxation techniques, such as progressive muscle relaxation or autogenic training, are so important.	133
CHAPTER 8. Rejuvenating nutrition, antioxidants and herbs	135
Introduction.....	135
Eating right.....	136
The basics of good nutrition.....	136
Antioxidants.....	142
Vitamin A (retinol, beta-carotene, provitamin A).....	143
Vitamin C (ascorbic acid).....	144
Vitamin E (tocopherol).....	145
Selenium (Se).....	145
Zinc (Zn).....	146
Other antioxidants.....	146

„Younger for longer” – Marta Pyrchala

Rejuvenating herbs.....	147
Summary.....	148
CHAPTER 9. Rejuvenating visualisations and affirmations.	150
Introduction.....	150
Affirmations in the service of youth.....	151
How to perform affirmations.....	151
Practice creating effective affirmations.....	153
Task.....	154
The Silva Method for youth – my adaptation.....	154
Method for performing the Silva mental treatment.....	155
Visualizing youth.....	156
Rules for effective visualization.....	156
Evelyn Monahan's metaphysical method for rejuvenation	
.....	157
Introduction.....	158
The middle part.....	159
Completion.....	160
Huna in the service of youth.....	161
The basis of the huna philosophy.....	163
Huna prayer.....	164
Summary	170
Completion.....	173
